- 12. State <u>concisely</u> every ground on which you claim that you are being held unlawfully. Summarize briefly the facts supporting each ground.
 - CAUTION: In order to proceed in the federal court, you must ordinarily first exhaust your state court remedies as to each ground on which you request action by the federal court. As to all grounds on which you have previously exhausted state court remedies, you should set them forth in this petition if you wish to seek federal relief. If you fail to set forth all such grounds in this petition, you may be barred from presenting them at a later date.

For your information, the following is a list of the most frequently raised grounds for relief in habeas corpus proceedings. Each statement preceded by a letter constitutes a separate ground for possible relief. You may raise any grounds which you may have other than those listed if you have exhausted all your state court remedies with respect to them. However, you should raise in this petition all available grounds (relating to this conviction) on which you base your allegations that you are being held in custody unlawfully.

If you select one or more of these grounds for relief, you must allege facts in support of the ground or grounds which you choose. Do not check any of the grounds listed below. The petition will be returned to you if you merely check (a) through (j) or any one of these grounds.

- (b) Conviction obtained by use of coerced confession.
